Letter Regarding Mr. Randall Munson:

Randall Munson spoke at the All Employee Meeting of the Western Area Power Administration, Watertown Operations. The topic of his presentation was "Success Through Creativity."

Randall delivers a powerhouse presentation that blasts through blocks, overturns conventional approaches, and sweeps away the cobwebs. He weaves through humor, games, logic, and amazing magical effects that illustrate his profound ideas and lock them into your mind.

Through his magic and humor, he taught us how to unleash our lost, pent-up creativity and achieve success as individuals and as an organization.

Everyone in Watertown gained a fresh approach to problem-solving and a renewed confidence in our own creative capabilities. Our employees are enthused and motivated and they are equipped with the tools to be more innovative and productive.

The employee evaluations were phenomenal: 97% rated Randall's program EXCEPTIONAL and 100% said they want him to come back again.

Randall Munson has the ability to impact your organization, bring heightened creativity to every aspect of your life and relationships, and teach you how to immediately double your creativity.

Please contact me at (605) 882-7502 if you have any question about Randall's valuable program.

Sincerely,
